

BHAKTI PARSANIYA

Aspiring Cloud Developer | Python & Azure Learner

+9170166-85268 parsaniyabhakti29@gmail.com <https://www.linkedin.com/in/bhakti-parsaniya-492234267/>

ABOUT ME

I am a Computer Engineering student at Ganpat University with an interest in backend development, cloud computing, and Python. Starting with frontend and UI/UX, I built a strong user-focused foundation and later shifted to backend logic and cloud deployment. Currently exploring Python, SQL, and Microsoft Azure, I am seeking internship opportunities in cloud or backend development roles.

EDUCATION

- 2022 - PRESENT
U.V.PATEL COLLEGE OF ENGINEERING
B.TECH COMPUTER ENGINEERING
CGPA - 7.21
- (2021- 2022)
NEW ERA HIGH SCHOOL , VADODARA
12th - PCM
PERCENTAGE - 51%

SKILL

- Programming Languages:**
Python (Core, Functions, File Handling)
- Cloud Technologies:**
Microsoft Azure (AZ-900 Certified), Azure Portal, VMs, Storage
- Operating Systems:**
Windows, Linux (Basic CLI commands)
- Soft Skills:**
Problem Solving, Quick Learning, Teamwork, Communication, Adaptability

PROJECT

- FunFactly - Python Flask Web App
I built a dynamic fun fact web app using Python and Flask, focusing on clean UI, interactive user experience, and backend logic integration.
 - Developed a fun fact generator using Python and Flask.
 - Designed a basic user interface to display random facts on page load.
 - Implemented REST API logic to serve facts from a local or online source.
 - Deployed locally

CERTIFICATIONS

- Microsoft Learn - Azure Fundamentals (AZ-900 Prep Path) JUN 2025
Gained foundational knowledge of Azure services, pricing, identity, and governance.
- Google Cloud Study Jams (by Google Developer Student Clubs) APR 2024
Hands-on labs with Google Cloud services including Compute Engine, Cloud Storage using Qwiklabs.
- Get started with Figma Course for UI/UX Design Coursera AUG 2023
Learned basics of UI/UX design, prototyping, and design systems using Figma.

EXPERIENCES

- IEEE Member (Student Branch) JAN 2023 - DEC 2023
 - Participated in technical and networking events.
 - Collaborated with peers on tech awareness, design, and community development.
- Interface Specialist (remote) JAN 2024
 - Designed social media posts and branding visuals for local vendors.
 - Delivered high-fidelity designs for brands including Porsche and Apple product mockups and marketing creatives.
